Mathan R

Software engineering graduate with a passion for innovation and problem solving

📱 9360720251 | ✉ rmathanmathan2306@gmail.com | Mathan R-Linkedin

OBJECTIVE

Aspiring IT professional and recent graduate, seeking an entry-level position in the field of Information Technology. Eager to apply my technical skills, academic knowledge, and passion for problem-solving to contribute to the success and growth of a dynamic IT team within a forward-thinking company..

EDUCATION

Sir Issac Newton College Of Engineering And Technology   Pappakovil-611 102

B.E-Computer Science And Engineering

CGPA-8.0

Janaki Anni Govt High Secondary School   Alathambadi

HSC   *06/2019 - 03/2020*

HSC percentage-61%
Year Of Passing-2020

Government High School   KATCHANAM

SSLC   *06/2018 - 03/2019*

SSLC percentage-75%
Year of passing-2018

TECHNICAL SKILLS

- Web Development-Html,Css
- database Management-Sql
- Python programming

LANGUAGES

Tamil   **English**

PROJECT

Main Project:

Cyber Security Analysis For Banking And E-Commerce Web Server Management System

- Objective:This project aims to enhance online shopping security by implementing OTP verification for transactions, preventing cyber theft by alerting users of suspicious activity and enabling secure purchases through registered mobile number

Mini Project:

Find A Theft Vechical Using Cyber Security

- Objective:Utilize cyper security to develop a model for the efficient identification and tracking of stolen vehicles based on license plate recognition.

ADDITIONAL CERTIFICATION

1. "Workshop on "Role of Data Science in Artificial Intelligence and Machine Learning Using Python"

Edureka Learning Center, Sir Issac Newton College of Engineering & Technology

February 23-24, 2023

- Participated in a two-day intensive workshop focused on the applications of Data Science in AI and Machine Learning using Python.

- Gained hands-on experience with Python libraries and tools commonly used in data analysis and machine learning.

- Collaborated with peers on practical exercises and projects, enhancing teamwork and problem-solving skills in a technical context.

2."Employability Skills Development Training Programme"Successfully completed the Employability Skills Development Training Programme conducted by TITAN Leap in association with Naandi Foundation during the academic year 2023-2024.

3.Project on Green Thumbs: A Comprehensive Guide to Caring for Your Houseplants*

IBM Developer Skills Network

Completed: July 10, 2023

- Developed a comprehensive guide aimed at enhancing knowledge and skills in houseplant care.- Utilized research and practical experience to create user-friendly content tailored for plant enthusiasts.- Engaged with a community of learners to share insights and best practices in plant care.- Enhanced digital content skills through the use of multimedia tools and platforms.

4.Participated in National level technical symposium titled as "Present and future of network security monitoring" held in SRM engineering college, Madurai
